Enjoy Your Summer Break

Before we begin our summer break, we want to recognize our teachers, parents, and volunteers for the dedication, talent, energy, and care they bring to our school. Together, you are making a valuable difference for our students.

On June 4, we held our last 8th grade graduation in the Potter's House church, *as we know it*. The following day crews began to move everything in the building into storage trailers to prepare for summer construction.

The construction of a new corridor connecting the elementary / middle school and church buildings was completed last summer. This summer the entire church building will be closed as construction teams work to create new science, art, music, and computer classrooms in the lower level and remodel the chapel. All of this work will allow us to use the connector when school starts this fall.

We have reached this point because Mark VanZanten and Nellene Duimstra felt God calling them to quit their jobs and teach for free in order to start Potter's House 38 years ago.

This has been another wonderful school year for The Potter's House. We are grateful for your continued prayers for God's direction, protection, and as always, that God will be honored and
