

The Potter's House Middle School Dress Code 2021-2022

The Potter's House has high standards for its students in areas of academic performance, behavior, and appearance. Our students should represent themselves and the school in a positive manner at all times. We also desire to promote an atmosphere that is conducive to learning and does not distract from the purpose of the school in any way. The Potter's House teachers and administrators will determine dress code compliance.
