

INTERNATIONAL PROGRAM

The International Program at The Potter's House is a cutting-edge program for students of high school age. The program is designed to provide international students with all the tools needed to build a strong biblical and academic foundation.

The International Program Includes

- All programs offered in the regular high school program
- English language learner support
- College visits and preparation
- AP/WIDA/PSAT/SAT testing
- Student health and accident insurance
- Host family housing options
- Extracurricular activities
- Off-campus cultural experiences
- Textbooks and Chromebook computer

Program Highlights

- Fully accredited high school through Cognia accreditation
- Rigorous college preparation: AP classes, dual enrollment and honors program
- Guidance counseling with college search and college application guidance
- Student-teacher ratio of 10:1
- Optional summer school is available for English language learners

The Potter's House will take you from limited English speaking ability to college-ready.

Three years ago I was in the ELL Program and now I am in the AP Literature. The school personalized programs and teaching styles directed at students who are in different needs. As an international student, I experienced love and patience from my teachers.

- International Student from China
