

Dear Friend,

Thank you for being an essential part of The Potter's House family!

Your continued partnership helps provide an excellent, Christ-centered education for students of all ethnic heritages and income levels. Our shared vision is that our students all encounter Jesus, learn to be like Jesus, and learn to do as He did – creating promising futures for generations.

Our annual New Friends Banquet is on **Thursday, April 24th**. We are excited to share the mission and vision of The Potter's House with our devoted supporters and new friends alike. **Our theme this year is "Bright Hope."** As we reflect on the blessings of the past year, we're reminded of the powerful hymn, *Great is Thy Faithfulness*, and its enduring message: "Strength for today and bright hope for tomorrow." These words resonate deeply with the mission of The Potter's House as we rely on His strength to bring hope and transformation to our students.

We invite you to join us as a Table Host!

Our table hosts are an important part of our banquet, helping to expand our community of support. While hosting a table is free, and the event is free to attend, this is a fundraising event. Please consider hosting a table -- invite your friends to help us build generations of resilient followers of Jesus. This is the bright hope of the Gospel.

Your partner in His work,

John Booy
Superintendent
